Mr. and Mrs. Will T. Vance
243 Island Drive
Hendersonville, Tennessee

Dear Carol and Will:

Thank you so much for inviting me into your home during our recent meeting in Hendersonville. It was a real pleasure to get to visit with you each night during our fellowship dinners and especially to get to visit in your lovely home.

Will made a distinct contribution to our gospel meeting. I deeply appreciated his song leading and was so happy to get the opportunity to work with him. It dawned on me after the services on Friday evening that I had not made any public mention of Will's part in the services. I do hope that you will forgive me this oversight. It certainly in no way reflected my gratitude for all that you did to make the meeting a success.

I know the Hendersonville congregation is going to profit from your association with it. I am happy that you have decided to work with the group there and know that they and you will be mutually benefited.

I hope to see you in Atlanta September 7 and 8. Enclosed you will find a copy of the tentative program of the Atlanta meeting. I hope that it will be of some help to you and I urge you to attend. Thank you so much for all you did to make my week such a joy.

Fraternally yours,

John Allen Chalk
